

Transitional measures (as of 2021)

Transitional measures take effect immediately to remedy inaccessible calls and funding. Transitional measures have been initiated for the 2021 and 2022 calls for proposals (Decisions of the Federal Council in Sept. / Oct. 2021 and March / May 2022)

Complementary measures (at the earliest starting in 2023)

Complementary measures are initiated independently of an association of Switzerland in order to strengthen the Swiss research and innovation area (decision of the Federal Council, May 2022)

Promotion of bilateral and multilateral research cooperation

Launch of a national Quantum Initiative

Replacement measures (at the earliest starting in 2024)

Replacement measures will be initiated if no association to the EU Framework Programme is possible in the long run.
